"Damon just helped us buy a new house and sell our old house, both in Radnor Township. We could not have been happier with his services! He has excellent knowledge of the market, provides outstanding advice, facilitates every step of the process and will help you get the best deal possible. We never got the impression that he simply wanted to get a deal done to earn his fees, i.e., he always had our best interest in mind. We had used another agent when we bought our old house, and the difference was like night and day. Damon is hands down the best real estate agent we have ever come across and was worth every penny of his fees. Highly recommended!"

zuser201711025084005762 - Radnor, PA 19087

"After working with another realtor previously and getting no results we were very pleased with Damon and his entire staff. Damon was always available to sit at open houses and he was never hard to get in touch with, no matter what we needed. We would most definitely recommend Damon to anyone who is selling or buying a home on the main line!"

sandye324 - 615 Bryn Mawr Ave Narberth, Pa 19072

"My experience with Damon and his entire team was fantastic from start to finish. Despite being a challenging situation, as my home was vacant after moving to Hong Kong in 2017, Damon and his team handled every step seamlessly. They coordinated with contractors, proactively communicated status of the sale, provided insightful recommendations, and facilitated the sale closing while I was in a remote location. Everything was smooth and efficient and handled with professionalism every step of the way. I would highly recommend Damon on the buy or sale side."

nmowary94 - 702 Belmont Ter, Bala Cynwyd, PA 19004

"It was a great pleasure to work with Damon Michels. From the beginning, he clearly understood what I was looking for, and he arranged the properties to see in a timely manner, so I didn't spend much time looking for properties. During the closing stage, everything went very smoothly and fast, and we easily reached an agreement with the seller."

gorka ramirez - 1753 Sue Ellen Dr, Havertown, PA 19083

"Damon did a great job selling my house. Also, he is a nice guy and easy to work with. The house was a little difficult to sell in the beginning but his knowledge and advice went a long way in getting the house sold."

bbs327 - 442 Fawn Hill Ln, Penn Valley, PA 19072

"Damon is a highly knowledgeable realtor. His level of commitment to close the deals are amazing. We had a great experience using his services and will recommend him to any friends and family looking to sell or buy in the Bryn Mawr area."

Luis Noronha - 6 Crest Ln, Swarthmore, PA 19081

"Damon is excellent. His knowledge of the market is great. His negotiations skills very good. He is very reactive and always available. As a European citizen I had some process challenges with the mortgage and retrospectively I would have loved to learn earlier about them. But they will make his service and knowledge and experience even better for the non US citizens who will follow me, and he is now I am sure the best if you are not American and have assets abroad. Anyway his calm and his smile make the whole process a pleasure. Thanks Damon! Too bad you do not sell products I could buy everyday!"

Bonjour Mainline - 909 Morris Ave, Bryn Mawr, PA 19010

"Damon helped generate a substantial increase in traffic through the door after enlisting him as my selling agent. Damon and his team was very accessible and responsive especially once we started getting offers. His website offered area specific statistics that helped us understand the local market conditions better. We would highly recommend Damon as a selling agent to anyone looking to sell."

psalem01 - 143 East St, Philadelphia PA 19127

"We used Damon in our search for a home on the Mainline. He is knowledgeable and his many connections helped us find a home we love. He was also incredibly patient and once we decided, he helped the process along and we were soon moved in a ready to start our next chapter."

zuser20150706121829349 - Wyngate Rd, Wynnewood, PA 19096

"Damon and his team know the Mainline very well, are incredibly responsive and understand the financial, practical and emotional aspects of buying a home. It was a real pleasure to work with Damon and his team (Chrissy is wonderful) and they helped us zero in and buy a home quickly and with minimal stress. The whole process, from viewing through negotiation and settlement went without a hitch. We were searching from northern New Jersey, and Damon's skill and expertise meant that every minute of every trip down to the Mainline was fully used. We will definitely be using Damon again and can recommend him wholeheartedly and without reservation."

mainline20 - 537 Oak Rd, Narberth, PA 19072

"Damon is a low key, responsive, considerate and helpful real estate professional. My wife and I enjoyed working directly with Damon and the entire Damon Michels team. Chrissy, Dana, Nick and Meghan were all very helpful and always responded quickly to our questions and concerns. They helped us sell our house quickly and for more than we ever expected! They also helped us find our new home with both settlements going very smoothly. We highly recommend anyone to work with the Damon Michels team!"

richongirski - West Manayunk, Lower Merion Township, PA

Damon was fantastic in helping us find the house that was perfect for our family! We spent over two years looking for a house that suited our needs and finally found something with Damon's help. Not only was he excellent in showing us homes, he also was very effective in guiding us through the negotiation and settlement."

graudrey - Bryn Mawr, PA

"Damon was wonderful to work with! We were new to the area and had no idea what we wanted (starter home vs. longer-term and fixer-upper vs. move-in-ready). Damon started by showing us the different areas and different priced homes so we could gauge what would work best for our family. He and his team were always responsive and quick to show us new listings. We ended up buying a fixer-upper starter home! We can't wait to make it our own and have Damon help us sell and then buy again when we outgrow our starter. I would highly recommend Damon and we will definitely be using him in the future."

KATIE ASMUNDSON - 26 Chatham Rd, Ardmore, PA 19003

"Both Damon Michels & Stephen Goldstein made my decision to move much easier. They were on top of everything and answered any questions that I might have had in a timely and accurate way. They both understood the sensitivity of me selling my current apartment and handled me with kid gloves."

BHOREN - Rittenhouse, Philadelphia, PA

Damon is a skilled professional. He is very familiar with real estate values and all steps involved in buying and selling properties. Damon sold our house quickly and at a very fair price. You will not find a better agent.

pickeresq - Bala Cynwyd, PA

Damon was great to work with. He helped us sell our house in record time and helped spent a lot of time with us to find the right new home. He made a stressful time easy and enjoyable.

crljunk4 - Bala Cynwyd, PA

Damon (and his team) were professional, knowledgeable and very responsive. They treated me like I was their only client, quick to respond to every email, call or request. No question was too inane. Any discussion regarding price reductions or comments after Open Houses were handled with care and respect. I chose Damon and his team based on their years of experience, broad client base and overall comfort level ... and I couldn't have been happier with my experience.

lightning74 - Penn Valley, PA

The two homes we had the best experience selling was where the realtor could show he/she had a strong network of realtors he was in constant contact with—who would guide interested buyers to our home. Damon Michels has a vibrant network that is responsive to his real estate postings. He is in constant contact with them and they like working with him because he has attractive listings and he is responsive to their needs. Very good networking. Other realtors we have used in the past claimed to have a network, but they never showed results. Solo realtors seem to only sell homes by chance—not because they have a support system in place to help them sell. Therefore, our experience is a realtor must have a network in place to sell your home. Damon Michels is one of the best in the area!

coaches - Haverford, PA

When it was time to sell my Mom's coop at Wm Penn House, the choice was obvious: Damon Michels. The sale took longer than expected, including an episode where a potential buyer agreed to a purchase price and I signed the documents. Then the buyer withdrew from the sale, only to come back weeks later with a lower price, which I declined. This turned out for the best once a serious buyer was found. From that point, the sale was swift and smooth and, with the help of Damon and his team, Mom got a good price for the apartment.

wildhatch - Logan Square, Philadelphia, PA

What an amazing experience! Damon and his amazing team quickly sold my house and patiently helped me find the home of my dreams. Finding my dream home in today's market was not as quick as the sale, but their patience, persistence, knowledge and understanding of the market and Me as the client was so comforting. I felt like I was dealing with old friends who knew my needs and wants, but also could see what was going to fit with my life style. When we walked into this beautiful home, we all knew it was the one! Thanks you all for your amazing team work Chrissy and Damon you are the greatest!!!

tJser2670447 - Lafayette Hill, PA

I highly recommend Damon Michels and his team. Damon and his team were terrific to work with. They guided us through the entire process from picking a listing to price, to guiding us step by step through the entire closing. Damon and his team are professionals and were extremely successful in listing and selling our house in our time frame.

nogal1marshall - Penn Valley, PA

Selling a home can be very stressful, but not if you have Damon Michels to help you do it. They were professional, knowledgeable and very sensitive to my needs. Plus, they did all the work for me. The whole process moved quickly and smoothly. What a relief!

nadia293 - Logan Square, Philadelphia, PA 19103

Highly professional and detail orientated. Damon was intimately familiar with the property. His team was well organized and showed the property in a logical manner.

Ivruss - Rittenhouse Square, Philadelphia, PA

Excellent ... Excellent. .. Excellent! Did I mention excellent?! Working with Damon was a pleasure. Very responsive to my questions & concerns. I always felt like I was his only client. Will definitely use him again for my real estate needs.

dompellecchia1975 - Old City, Philadelphia, PA

Damon was a pleasure to work with. Very laid back and doesn't rush you or ever seem impatient. He was extremely responsive to any calls or emails at almost any time day or night. He was more than willing to work through any issue no matter how long it took and was often a calming influence when things got heated. Damon was very knowledgeable about every house we visited but didn't force his opinions and let us make up our minds while still providing guidance and offering solutions to potential problems. Damon seemed to have a vast rolodex of people you could contact should you want to do various projects at a new home and was very helpful in estimating costs. I would highly recommend working with Damon!

alise kuhl - Bryn Mawr, PA

Damon is a true professional in every sense of the word! He knows the market, finds you the home within your budget and taste, is easy to deal with, returns calls and texts immediately, and has a staff that is polite, driven, knowledgeable, timely and pleasant. Damon worked with our builders, mortgage company, insurance company, and township to get to our settlement date which shows his willingness to go the extra mile to help his clients. I don't know how he stays so calm as his phone is always ringing but he still makes you feel like the #1 customer. Settlement was like a party—no stress and celebratory because of his team's organization and preparation. We highly recommend Damon Michels as your realtor!

tobyteach - W Manayunk, Lower Merion Township, PA

Worth every penny. Our family chose Damon as our listing agent based on strong recommendations from others in the William Penn House, and during a complicated and accelerated process including multiple bids and doing both listing and closing paperwork from out-of-town, we worked with half a dozen of the real estate professionals on his team. All of them were exemplary: efficient, pleasant, and with the expertise and relationships in the building to make everything smooth and easy. Even the brochure photos were faster and finer than we expected, and listings went up online and on paper ASAP; a cheaper realtor might skimp on the quality and number of photos, lack the manpower to get so much coverage so fast, or lack the back office support to keep the process flowing. DM knows what he's doing. Our Depression-era mother wanted to find a cut-rate broker or try to sell it herself. FUGGEDABOUTIT. She now thinks hiring an experienced full-service company was the smartest thing "she" ever did. The rest of us agree.

slperry1 - Rittenhouse Square, Philadelphia, PA

Damon Michels is very knowledgeable, helpful and gets on the job right away. He was wonderful to me. He knew just what I was looking for. I found the perfect condo. I would recommend Damon Michels to all my friends. My son told me about him he said if I buy another house I will get Damon.
annescheuren - Rittenhouse Square, Philadelphia, PA

We used this firm to buy and sell our unit. We were very happy with the experience and the responsiveness of the team. Each transaction was smooth and efficient. We were happy buyers and sellers!!!! If we had not moved out of state they would have been our realtor again. A special shout out to Steve and Chrissy. Great job.
margaretdenton311 - Rittenhouse Sq, Philadelphia, PA

Damon was very knowledgeable and transparent about the whole process. Damon or someone on his team was always there to satisfy my request This includes everything from email questions, to texts, to showing properties, to closing on our new home. Thanks to Damon and team we were never caught off guard. They enabled our 6 month search and 2+ month of waiting to close to be relatively non-stressful/distracting.
dellicom - Broomall, PA

I cannot thank you enough for such a gorgeous gift. The Tiffanys ice bucket is just gorgeous. You will see its place in April. I cannot wait to have you over! Still does not seem real! Most of all, thank you for sticking with me and all the support. Your friendship means so much.
Sylvina

Damon is a great example what a Realtor should be like. Very professional, honest, not pushy and really wants you to find a perfect house. Damon was first referred to me by a friend at Comcast 8 years ago and it was the best buying experience. Very friendly and understands you as the buyer. Full service agent. Some go to college and pick this field like Damon, and others do it for fun, I just had a great experience selling my house, as professional as I expected. It took a week or two to get the contract I wanted and done. He sold my inlaws apartment in less than a week.
josh clineB - Bala Cynwyd, PA

Best experience we had in selling our home. Wouldn't recommend anyone else. He was great to work with and we sold within 1 a month. Every from start to finish went very smoothly.
joyce kahaly - Phila, PA

Extremely knowledgable about our property and the neighborhood. He gave us excellent advice about preparing our house for viewing. He was also immediately responsive to all of our concerns. Finally, during a stressful negotiating period, Damon was very a reassuring and calming, and gave excellent advice. We sold our house in 8 days at a good price.
bamason4

We were so happy working with Damon. He was very patient with us as he took us through one showing after another. He's very professional, responsive, insightful and knows all the neighborhoods well. He understood what we were looking for and helped us find the perfect house for our family. His team were also very helpful in navigating this entire process. We are very pleased with the service we got and would highly recommend him.

I am not one to routinely write testimonials, but wanted to share my experiences with Damon and his exceptional team of individuals. I met Damon upon my first move to Philadelphia about 10 years ago. He extensive knowledge of the neighborhoods and schools was an incremental help with locating a part of the city I would be comfortable in. He assisted my consideration of various properties and in the negotiation process. Six years later, I called on Damon to then sell the property, which was a difficult sale in a depressed market. He was able to sell the property within 3 months. When my work again brought me back to Philly, I used Damon and his team to assist with that move and locate another perfect property. I recommend Damon and his team fully--they provide excellent service, personal assistance with every aspect of the sale or purchase, and work effortlessly on your behalf.

lisagetzfrid - Rittenhouse Square, Philadelphia, PA

Damon provided excellent service through every step of the process when selling our home. He had great recommendations for getting work done we needed on the house and things were always completed in a timely manner. As we were living out of state at the time, it was a huge relief having Damon to check on the house. He was always very responsive and took care of what needed to be done. He is also very approachable with questions or concerns. We highly recommend him!

Damon and his team provided us excellent service and they sold our house very quickly. Damon met with us in June 2015 when we first considered selling our home. He helped us determine what improvements would be helpful to do prior to putting our home on the market enabling us to get the most for our home. We had an offer the first weekend that our house was on the market. Damon was an excellent communicator and paid attention to details. Damon is very knowledgeable about the Main Line and I would refer him to anyone interested in buying or selling their home.

We have purchased many properties thru-out the years, having used Damon for the last 2 transactions. Without a doubt he is 2nd to none in the local realty industry, with his exceptional knowledge, professionalism, with honesty & attention to the details before & after the sale ... We all have a "Friend in the Business" that said, using Damon is still your best choice.

FSHIELDS47 - Rittenhouse Square, Philadelphia, PA

Damon worked with me for 5 years to find the best home to match my family. He showed outstanding professionalism, patience, good humor and enthusiasm throughout the lengthy process. While there were many surprises in the buying and selling process along the way, Damon remained consistently calm and supportive and provided knowledgeable perspective when often things were confusing and chaotic. Furthermore, he and his team at the Narberth office were available day and night to address any questions that we had. Damon is a super class act and a kind and generous man.

user04308002 - Graduate Hospital, Philadelphia, PA

My husband and I just bought and sold our homes in the past 6 months. Both were excellent. Selling was stressful, but not for Damon. He was always honest and realistic with us and we walked away with a great deal! We purchased a new construction home with him, which was also a stressful time, buying what you cant exactly see but Damon made us feel so confident and comfortable. If you are buying or selling USE DAMON MICHELS!

I was a corporate relocation. Damon helped me buy my home and sell it five years later when I transferred again. Throughout that time Damon stayed in touch and helped with any number of things including referral of excellent contractors. *Dear Damon and Chrissy,
I cannot thank you enough for such a gorgeous gift. The Tiffanys ice bucket is just gorgeous. You will see its place in April. I cannot wait to have you all over! Still does not seem real! Most of all thank you for sticking with me and all the support. Your friendship means so much. -Sylvina*

Damon was quick, professional, and knowledgeable. He works closely with an experienced and highly effective team dedicated solely to his transactions. I wish I were selling or buying another property, so I could work with him again.

richard major - Saint Davids, PA

Although a stressful process for us Damon and his team, especially Michele, were there from beginning to end. The Showing Time app was great for feedback on the property and kept us informed of when the house would be scheduled for a showing. I would highly recommend Damon Michels when considering buying or selling our next property.

user7701127 - Fishtown, Philadelphia, PA

Worked with Damon for approximately 5 years looking for various homes. Damon definitely knows markets and knows what it takes to both sell a home and buy one. He truly cares about his clients so much so that you can't help feel special. He also has a great team supporting various parts of the process. I would recommend Damon from markets in Phoenixville to Center City.

SylvinaFrutos - Malvern, PA

Choosing Damon Michels to sell our home was a smart thing to do. It sold in two months. He is hard-working, helpful, and has excellent negotiation skills. He even went to settlement in our stead. He and his staff respond to any questions or concerns we encountered immediately. I would use Damon again for any and all real estate needs - and so should you!

tbreilly - Bryn Mawr, PA

Damon and his team of super stars spent 4 years helping us find our perfect home. We are very picky buyers with a budget that was sometimes unrealistic for what we wanted. Damon never gave up on us ... stuck with us all along the way and did not quit until we found what we were looking for. Without his support and assistance, we would have never found our diamond in the rough. We can't say enough wonderful things about Damon and his amazing staff. It was like they were taking care of a family member and we always felt supported and listened to. Don't hesitate to work with him...you will be glad you did!!!

user6835272 - Malvern, PA

I have used Damon Michels for close to 10 years. I've bought, sold, rented and viewed many properties over this time. He's very knowledgeable of the Center City Philadelphia market and has always gotten me the best deals. In addition to his knowledge, he's a people person and gets along with everyone. This is a major plus when working with people with so many different personalities. I'm in the process now of buying a place and working with Damon once again. If you need a friendly, trustworthy realtor, Damon's the one!

mflevin - Graduate Hospital, Philadelphia, PA

From start to finish, Damon did a fantastic job. He is a bonafide professional. He knows the market extremely well, offered great advice on pricing our home and did everything necessary to help us make the process as smooth as possible. Also a shout out to his internal team at his office who were extremely responsive, communicative, friendly and knowledgeable. I will work with Damon again and highly recommend him.

Genemarks - Merion Station, PA

When we initially started looking for a home, he drove us around in his car, showing us the different areas we may be interested in. This might not be for everyone but it really helped us become acquainted to the area and helped us narrow what we were looking for. Damon is very responsive, we would get replies to questions well into the evening if requested.

ah7726 - Miquon, Lower Merion Township, PA

Working with Joan Federico was an absolutely pleasure. Joan assisted us with finding and buying a property very recently. Her knowledge of the area and the realty process was fantastic. All communications were prompt and comprehensive. The service level we received was over and above that which we have experienced during previous house purchases. I would recommend Joan to anyone thinking of buying a property in a similar area and cannot endorse her enough.

user94398071 - Glen Mills, PA

At first we listed our home with another realtor Century 21 and it was on the market for months with zero activity. We fired the realtor, hired Damon and the house was sold almost immediately. I recommend Damon to everyone I meet that is looking to purchase, buy, or invest. Damon is amazing. He listens to you. He understands your needs. The guy gets it and will help make your experience a good one. Thanks Damon! I look forward to working with you again soon.

Damon is an excellent realtor with an impressive knowledge of the market. Not only was he very helpful in negotiating a fair price and selling my house but was then able to find me the PERFECT condo in the city to buy. I would highly recommend him!

howardo2000 - Logan Square, Philadelphia, PA

Damon and his team helped me sell my home and helped me buy my new home. He was well-informed and responsive and most importantly helped my wife and I keep a level-head during some very stressful times. His knowledge of the process and understanding of the intricacies of the deal were greatly appreciated and allowed us to exceed our expectations for the sale of our home and managed to negotiate a more-than-fair price for the home we purchased. I would highly recommend Damon and his team.

fccoynne - Broomall, PA

Damon was great since the moment we met him. He was consistently professional, reliable, easy to reach and understanding. He is also very well respected: we found out at closing that there was another bidder (who would've gone higher) and the seller chose to keep our verbal agreement with Damon. He kept us calm during the entire process and has recommended several high quality and responsive contractors. We will be telling all our friends and anyone else we meet who wants to buy in Center City or the mainline about Damon.

shaun banta - Penn Wynne, Ardmore, PA

Damon was extremely helpful to my wife and me. In my opinion, one of the most important qualities in a Realtor is someone who is very well-connected with the other agents and can figure out quickly what the "real" story is with a sale or purchase. All around a great experience. We were extremely happy. **skiing78 - Fidler Square, Philadelphia, PA**

I found Damon Michels to be a pleasure to work with, He is a real pro who knows his market and his clients. He could not have been more helpful to us in selling our house on the Main Line. He is supported by a staff, particularly Michelle, which is outstanding. They made the process of selling our house on the Main Line (almost) painless. Damon is a very knowledgeable agent. He directed us with confidence and his expertise. His staff was totally invested in us, our house and the entire process and worked very hard to see that we were satisfied with the outcome. I highly recommend Damon Michels to handle the sale of your house." **tixjar - Wynnewood, PA**

Mr. Michels was very helpful to us in looking for a new home. Although his responsiveness was not always "immediate"--that would be a tall order--he or his office was better than good. He was patient about showing us all the properties we wanted to see. After the sale he continued to help us. This was beyond what would have been expected of him. **jacknjoy80 - Rittenhouse Square, Philadelphia, PA**

Damon Michels is truly an expert realtor on the Main Line. My husband and I were new to the area and Damon not only showed us houses, but answered all of our questions about daily living on the Main Line. He would personally drive us around and quickly became a friend. Damon is personable and extremely easy to talk to. His team of professionals were always reliable as well. We have recommended him to friends and will continue to do so! **svora414 - Villanova, PA**

Damon was very attentive to details and made selling our house a very pleasant experience. He relieved us of a lot of the hassles that go with the process. Damon was very knowledgeable and extremely professional. I would highly recommend him to anyone thinking about selling or buying a home. **maryanneb**

I have purchased and sold six houses. My best experience by far was with Damon Michels. His performance was outstanding every aspect. When the housing market was in recession, he found me a long term responsible renter, when prospective buyers reneged on the sale on the date of settlement. Damon Michels was so helpful in many ways during this challenging time for us. He promptly found us a new buyer, who actually paid more than the original potential purchasers I heartily and unequivocally recommend Damon Michels for any and all real estate transactions. **barrysavitz - Penn Valley, PA**

He is an absolute dynamo! He has service down to an art. He is knowledgeable, personable, motivated, energetic. He does not make promises he can't keep. He delegates appropriately. I think he and his team are just fantastic. He also is good at managing the difficulties of a divorcing couple and the resulting issues as they affect the sale of the marital home. **user8542605 - Bryn Mawr, P**

Damon was a tremendous help during the sale of our home. He had several great ideas on how to stage our home to best attract buyers and we ended up selling our home after only 1 day on the market, at a price above what we thought was possible. We strongly recommend Damon to anyone looking to buy or sell a home. **Noah and Debbi**

We've worked with him quite a few times over the past decade and recently this spring he both sold our house in Villanova and was also our realtor for the purchase of our new home in Malvern. I saw Damon buy and sell a friend's house and I was impressed. So when I was putting my house up I interviewed a few agents including Damon. He was head and shoulders above everyone else. During the process he had a strong opinion but did not bulldoze you over. His guidance at every step was excellent. A consummate professional and his team was great to work with through every step.

Damon and his team were on top of everything from start to finish. They looked with me for over 1 year and never hurried me along in the process. We were relocating from the west coast and wanted to move to the Mainline Philly area which we knew nothing about. From the start, Damon helped us to feel comfortable with a very different housing market and buying process. He went out of his way to educate us about the area, neighborhoods and pricing. Our search criteria went through many revisions and Damon was patient through it all. Damon helped us get our home in the exact location (walking distance to school and train) with just about every criteria on our long list. His candor and accessibility distinguish him from the average agent. If you're looking for the BEST realtor in the Philly or Mainline area, Damon should be your first call. Big plus, you get him and his top notch team. **Anonymous.**

"We had a terrific experience working with Damon. He knows the market. We were out of town buyers, he kept us informed about what was on the market and how much apartments were actually selling for. He was also very generous with his time, he showed us a lot of apartments before we decided on one. When we did make an offer Damon immediately wrote it up and presented it to the seller - he didn't waste time. He negotiated for us and got us the best deal. I would definitely use Damon again. And, I wouldn't hesitate to recommend him to a friend." **Terry Harvey**

"We were an extremely picky buyer with always changing requirements not quite knowing what we wanted. I'd say we were a nutcase type of customer that a lot of agents wouldn't want to waste their time with. Damon showed us close to 100 houses within all price ranges, sizes, shapes and ages knowing that we do not know quite what we wanted. He worked with us about 3 years very patiently. And finally, helped us get the perfect house we thought did not exist. Damon had the same enthusiasm, energy and compassion every time he met with us whether it was the 10th showing or the 100th showing. We were lucky enough to find him, work with him and get to know him. He's become more than an agent to us. We highly recommend him to everyone who's in the market without a question. We know he'll do his best for you too, and you'll be glad you worked with him! Here are some of the qualities that set him apart from the crowd: Friendly, personable, respectful, professional, reliable, patient, responsive, genuinely interested in getting you what you're looking for, knows the market, knows the neighborhoods, knows the agents, always available to show or to answer your questions, has a top notch, professional, responsive and courteous team, never pushy or in a rush to close a sale, works within your timelines, does not impose you anything one way or another to influence your decision making in any way." **joe_valentino - Wynnewood, PA**

Despite his obviously busy schedule, he patiently chauffeured us around and was frank and knowledgeable in his assessment of the various properties we saw. Whenever we called, he or a member of his team got back to us without delay. When it was time to negotiate on the property, he guided us calmly through the process. "We were very pleased with the entire experience of selling our home with Damon's firm. He brought a deep understanding of the community and the current market to our home sale. We priced it right for the market and followed his guidance regarding preparation of our home for showing. Our home sold in one week. On the back end of the offer,

he successfully negotiated a very fair post-inspection agreement+ No matter what hurdle arose, eg; we needed last minute sidewalk repairs thanks to Lower Merion Township, Damon and his team took care of it for us. Damon and his team are all very nice to work, professional, knowledgeable, and were cognizant of the COVID prevention measures. We were not required to attend the closing in person. Our experience with Damon and his team was pleasant and uneventful - exactly what you want when selling your home!"

"I couldn't have chosen a better person to guide me through the process of selling my home in the Philadelphia suburbs and buying a condo in center city. One big advantage is that Damon has offices and therefore the experience, in both locations. Secondly, he kept me grounded when I occasionally wondered if I was making the right decisions. Third, when a situation occurred in the pre-settlement phase of my condo, something that Damon had never experienced before in all his years as a realtor, he kept his cool and told me that it would all work out in the end. It did."

zygoinc - Villanova, PA 19085

"I worked with Damon over the past few years in renting and selling two properties. He is very easy to work with and is consistently professional. It is not easy to sell your family home, and his calm and easy-going demeanor helps to make the stressful time easier to handle. We ran into a last minute issue with our house sale due to the buyer. Damon was creative and knowledgeable in how to deal with the problem and our house sale went through because of his work. Damon is honest, accessible, and works hard for his clients. I recommend him highly!"

He was very patient with me showing me more than several places till I hit upon the right one. He even drove me around and to the Amtrak station, (in a Porsche no less !!!) He clearly is the best broker/agent I have encountered. I am very grateful to him for his work."

"Outstanding Realtor! Knowledgeable and professional with amazing skills. Damon understands the market, he is honest and realistic. He will find you what you want and knows what your property is worth. It was truly a privilege to work with Damon and his outstanding team!"

Randy Scheer - Merion Station, PA 19066

"Working with Damon Michels was a great all-around experience. His knowledge of the local area & market was extremely helpful. We viewed a dozen plus properties in this HOT market and Damon had viewing appointments ASAP. I recommend Damon Michels Team to everyone - a smooth running team, talented realtor and a great guy. Damon took a ton of stress out of the process!! It was painless and efficient throughout. Highly recommended."

Robert Tedesco - 19428

"Over the years, my wife and I have bought and sold in the neighborhood of 10 homes. What we've learned is that the single most important decision in this process is your choice of realtor. I can't emphasize this enough. Track record matters and will be the deciding factor in how well your real estate transaction reaches fruition. Having made every mistake in the book, I can tell you that the best decision we ever made was hiring the Damon Michels Team for our most recent sell. You look at the headlines and see that housing is slowing, prices are collapsing, mortgage rates are skyrocketing. All of this may be true, but there is still demand out there, and some realtors will use changing conditions as an excuse. Damon's team, and his winning brand, resulted in us receiving a full price offer after only three days on the market. We were stunned in the best way possible. The recipe for success is simple: Listen to Damon, listen to Damon, listen to Damon."

"Excellent. Current listing was sold in 8 days!!!! Always a step ahead of others. Always well informed, always professional. Process from start to finish is smooth, seamless & efficient. Always answers the phone which is a rare commodity today."

Terri Wentzell - Philadelphia PA, 19125

"Damon and his staff are the best to work with. This is not our first dealing with Damon and team. I would not go anywhere else. They are very knowledgeable and we know we are in good hands because they will get the best deal. If you want a professional person and staff working for you, we couldn't recommend a better team."

THANK YOU NOTES

Dear Damon and Team, Thank you so much for all of your hardwork and help in finding and landing us our dream home. We are so appreciative of how easy you made the entire process, from being available for showings at late notice to answering emails at all hours to get our deal done. It was truly a pleasure working with you all. Thanks you also for the gorgeous ice bucket and champagne! That was so sweet of you! Love, **~Chris Warner, Leah + Hudson**

Damon, Chrissy, Buzz, Darlene, Nick + Team,
 Thanks you so much for all your help and assistance with our home search, we love the house and Chestnut Hill. It was a pleasure working with you all. All the best for 2018!
 Thank you again for everything.

Best, ~Anthony Morelli + Josh Nelson

Dear Damon, Now that the renovations are finally completed and I will be moving into my coop apartment in about a week, I feel the need to give you a special thank you. Despite the fact that the transaction was so small, under \$200,000, you provided me with the same patience and service you give to your \$700,000 listings. Complicating the matter was the unusual circumstance of the funding and you and your staff worked it through, step-by-step to conclusion. I appreciate and thank you and your staff for their extraordinary knowledge and service. Thank you. Thank you. Thank you.

It was really the best experience we could have hoped to have and with the best outcome! We finally got the right agent and the right house!

Thanks so much. ~Rachel & Andy

Damon & Team, I wanted to send a quick note to say thank you for all of your help in selling my property. The selling process was something I was not looking forward to at all but you and the team made it much easier than I could have ever imagined. From start to finish each member of the team kept me informed, treated me with respect, and showed great patience with all of the questions that I had. For that, I am extremely appreciative. If I know anyone looking to buy or sell a property in the area in the future, I will be sure to recommend you.

Thanks, ~Brandon Kahler

Hi All, Thanks again for making today a fun, memorable and life changing event - who eats Murray's and gets wine from their builders, champagne with Damon's face and a Tiffany's box with a beautiful gift at the settlement table? WE DO!!! What an awesome experience with a great group of professionals. Enjoy the pictures from today that I attached. Thanks again and see you very soon! **~Toby**

Damon, Thank you again for your work with the Than's. We are so happy to have them at Atheryn. I look forward to working with you again soon. **Cheers! ~Cassie**

Damon's team guided us through a difficult purchase and were there for us each step of the way. They helped with everything from the loan, to finding oil tank testing and inspections. Highly recommend. **~John Appleby**

Hi Damon, We received our copy of the HUD-1 settlement sheet today. As always you are the consummate professional, paying attention to every detail, before during and even after the sale...We have been involved with our share of realtors and can honestly say you were without a doubt the smoothest...Well done Damon! **~Noah**

Damon, Thanks for everything you and your staff did to get us to settlement yesterday! Selling my aunt's apartment will allow her to stay in her assisted living facility for a much longer time and the timing for the sale was perfect! My husband and I were really happy to see how excited the buyer was to have this apartment as his own. My aunt would have liked him, too! We also appreciated your taking time out of a busy day to show us two apartments. Hopefully, our place will be next, and we can begin to think more seriously about a new apartment. **~Carol and Chet H.**

Damon Michels is the finest real estate company in the country of which I have had the pleasure of being a client. Damon is an outstanding leader and has assembled a superb team, especially Michelle Davis, who handled everything concerning the rental and subsequent sale of our condo in Penn Valley with the highest degree of professionalism and attention to detail. This was especially important with my being 2,400 miles away during the entire process. I cannot adequately express my appreciation for the superb manner in which you handled the entire process from the beginning to its positive conclusion. Thanks again for your hard work and perseverance, I am sending a small gift to you and your staff as a token of my appreciation. **~Barry Savitz**

Damon, Forgive me for the lateness of this note. I really appreciate your generous gift certificate for Savona as a way of thanking me for referring Barbara. You well know, that it wasn't necessary or expected. We've known each other for quite a few years and I have always enjoyed seeing or talking with you. You are a good guy, handle yourself with grace and always treat people with respect. Plus, you're great at what you do and I have no reservation referring anyone to you: I know they are in good hands. Best regards! **~Michael S**

Dear Damon, Thank you so much for everything. The ice bucket is perfect and we look forward to using it often! Drinks for all of us in the new house after renovations! Thanks again, **~Bunny**

Good morning,
I just wanted to tell both of you that whether or not this rental comes through, you have gone far beyond what any other agent would do. To work on just our behalf while we are going through a temporary yet desperately threatening time with little benefit for you is the high point point in our three year struggle with 1212. Believe me, after three years of varied agents, there's not one who comes close to your well earned reputation. Putting clients first, should be expected, but never is. The Damon Michels Team is a class act. Thank you all, **~Colleen**

Dear Damon, I would like to thank you immensely for putting me into contact with Frank Jackson. Frank went above and beyond my expectations helping my fiance and I find our house. . . Kind regards, **~Steve Udovic**

A special shout out to Damon Michels and his super team. We recently bought a co op at the William Penn House in Philadelphia and then sold one at Wm Penn. Damon and his team are so professional and competent and a pleasure to work with. I would highly recommend them and only use Damon and his team again if we ever move back to Philadelphia. **~Thanks for everything.**

I wanted to thank you for all of your help during this process. You have been great at getting my questions answered and providing me with all the necessary information, which have made things very easy for me. I definitely appreciate it. **~Matt D**

Dear Damon, Thank you so much for the Tiffany's Ice Bucket! It'll come in handy for all the champagne we plan to drink in our new home. And don't worry, we'll be sure to invite our new neighbors when we do! And again, thanks for sticking with us in the past year and a half- we really do **~love our new home!**

Damon & Joan, When we decided it was time to find a house with a little more outdoor space for our 4 year old son, we knew it was time to move out of the city. Needless to say we did not get excited about setting out on the task of selling our house and purchasing a new one. We were fortunate to have met Joan Federico and Damon Michels who were very patient with us as we made our way through this process. At every step of the way, they were there to give us the necessary information, be an advocate for our best interests, and to offer their opinions and expertise. It took us a while to find "the one", but when we look back on the turn of events of the last year were never in doubt that we were in good hands. **~Roy & Erin Ingrassia**

Although I was otherwise occupied I was thinking of the closing...Many thanks for getting everything under control and managing it beautifully, and thanks to Michelle as well. **~Evie C.**

Dear Damon, Barbara forwarded Jane Hanser's testimonial of your terrific service, and I want to add my appreciation to hers for the wonderful job you did selling her parents' home. When she describes your team as "tops" it doesn't get better than that! I know you receive a great deal of positive feedback from your many clients, but each one has a unique perspective and story. The one thing they all share is being fortunate to have you as their partner, just as we are. **~Congratulations on this and all your success, and best wishes for more to come!**

Dear Damon, I wanted to take a moment to thank you for your amazing start to 2013. Your extraordinary start helped the office win third place in Office GCI from Prudential and you win the **~Top 3 Sales Professional in PA...**

Damon, Chrissy and Company,
I want to thank you for your help in selling my late aunt's apartment in the William Penn House. You were all professional to deal with and answered any questions I had in a timely manner. When I listed the apartment, Damon told me to expect it to take 6-8 months to sell. I believe we had a contract in 7 months-not bad! If I had another property in your area, you would be the first agency I would talk with about listing it. Thank you again, **~Chuck Bonner**

Thank you for your amazing work. You and everybody on the team are a huge reason why I am loyal to Damon. You guys are the best! Thank you, **~Rahul**

Damon was very easy to work with. Very knowledgeable about area and prices. He and his team did their due diligence and found a great tenant for my property! **~Janice L.**

We were put in touch with Damon Michels through our corporate relocation company. We were prepared for a difficult transition as we had previously purchased a home from out of state. We were completely unfamiliar with the area and, as with most out-of-state relocations, only had a brief period of time to find our perfect home. Pleasantly surprised with our experience would be an understatement. Damon always made time to show us several homes every time we came into town. He worked with us as we tried to decide whether or not to down size to a condominium and that was a huge undertaking. Most importantly, his knowledge of the area and information regarding the Philadelphia real estate market helped us make the perfect decision. We could not be happier with our home. Damon's work ethic, patience, and professionalism all combined for a great experience. **~We would highly recommend Damon Michels**

I was a corporate relocation. Damon helped me buy my home and sell it five years later when I transferred again. Throughout that time Damon stayed in touch and helped with any number of things including referral of excellent contractors. Damon truly tries to establish a relationship and follows through on his commitments. I cannot recommend him highly enough! **~Daniel G.**

Dear Damon, We appreciate everything you and your staff have done to complete the sale of our house. We knew after we worked with you a few years ago to sell our aunt's apartment that your group would do a professional job representing us. From your initial visit, the photographs of the interior, scheduling of appointments and the day to day support from your staff, we were very pleased. Thank you for getting us to "closing." Please share our thanks with Kelli, Michele & Chrissy. **~Carol and Chet Heller, Jr.**

Dear Damon, Thank you for helping us find the perfect house for us. Your patience, easy going attitude and humor made the process as stress free as possible. We wish we knew more people who needed a realtor so we could recommend you! Thank you for everything! **~Daniel G.**

Damon was a paragon of patience, especially considering we were all over the map with the type/style of homes we were considering. The proof of his abilities is how much we are enjoying our new home. We got exactly what we wanted - a beautiful home and a great value - and we credit Damon's connections and skilled negotiating. It was a great pleasure working with Damon and his team. We would certainly use him again and give him our highest recommendation. **~Amy and Jon Ostroff**

I just wanted to thank you both for your patience and support you gave me through this very long selling process. In our business we deal with the emotional ups and downs of every client. And I want you both to know that you deal this way with every buyer and seller and you do it better than any agent I have ever worked with. I am proud to know that our future of working together holds great potential both on a friendship and business level. **~Thanks again.**

Thank you very much for your time in showing me properties. I thought you did a wonderful job of exposing me to a "smorgasboard" of what is currently available which might meet our specific needs. Thanks also for the yummy Philly cheesesteak lunch!! Sorry if I ruined your commitment to a healthy diet!! Thanks again, **~Judy R.**

I want to take this opportunity to thank Robin and Damon from Prudential Fox and Roach Realtors. We started our search from Missouri but Robin had constant communication and listings in my criteria emailed to me to keep me updated until we were able to plan a visit. Robin was always available to take my calls or answer my emailed questions right away. Damon began our search, which was sometimes exhausting with a cast on his foot but never complained and took me out whenever I asked to look at properties. He was always very professional, thoughtful, and patient with us all the while doing what was best for us and giving us honest opinions and suggestions regarding the area. **~Racine R.**

Thank you everyone for everything in the past few months. It finally happened. I appreciate everyone's help and patience. Have a great 4th of July weekend. **~Viktoriya DAgostino**

Thank you for a great job, I'm not surprised though, I don't think there will be one person out there that would not like you, you have a great and pleasant personality and I love working with you myself. **~Amina M.**

Dear Damon, Thank you for all of the hard work that you put into helping us find our home. Working together was a pleasure from the beginning. We have bought and sold homes before and we feel that you went above and beyond what is expected. We love the house and know that we will be very happy here. **~Lisa & Ryan K.**

Damon: I want to thank you personally for helping Nick and Jessica through the closing process. They are now moved in and the house is a knockout. Wait until you see it. I understand that you showered them with gift certificates and gifts which was way above & beyond. **~Paul**

We moved 900 miles to be here and I am pleased to write that Damon Michels played an integral and satisfying part in our move. From day one he and his team were overwhelmingly helpful to assist us to find the home we wanted within a price range we could afford. My wife and I spent nearly 3 days in intense home searching on the streets of Philly with Damon and I sincerely believe that no one else could have worked with us as well as he. I'm sure that you get a lot of this, but Damon works well to develop rapport quickly, to ensure that he's meeting the satisfaction of his clients, and to find the best for what he has to work with. Without a doubt, when we know friends and acquaintances who are making the move to Philly and the surrounding area, our recommendation is going to be that they bring their business to Damon. If we ever happen to "upgrade," I know we'll be bringing our business back to him as well. **~Gene & Laura T.**

Thank you so much for your housewarming gift yesterday, it was unnecessary, unexpected, and greatly appreciated. It will look beautiful in the new dining room. We are so happy to have such a wonderful house to make into our home and thank you for all you have done to make it possible. **~Sara and Fabian L.**

I just wanted to take a minute to let you know how unbelievably pleased and impressed we've been with all of your efforts on our behalf to buy a house. Not only was the quality of your work and advice excellent with VERY quick turnaround for our questions, but as Debbie said many times, you ALWAYS made what we needed seem so matter-of-fact and effortless, taking a LARGE amount of the strain away from an otherwise difficult and emotional process. Thanks a ton - While I hope we don't have a need to move for a LONG time, we can't wait to recommend you again and again. Fondly, **~Rob and Debbie C.**

Just wanted to say hello and thank you!! We passed your name on to a colleague (Ian L.), and understand that as we predicted you have delivered for him too!! You deserve all your success and we have no hesitation in passing your name on to others. We have enjoyed your little seasonal mail shots - only suggestion from me is to send a chocolate heart with the Valentines one, not just a picture!! (with a comment that you really do deliver the goods!!). Best regards, **~Jill and Martin A.**

Thank you again for the beautiful housewarming gift and all of your assistance with my new home. You made a difficult process easy and I truly enjoyed our dealings and time together. Much thanks, **~Mark Z.**

Damon, You were confident that the right house would come on the market and it did! Thanks for your patience and understanding during such a stressful time. We are very happy in our new home and have you to thank! **~Dana S.**

Damon, I have to tell you what an awesome person you are! There really isn't anything that you won't do for us. You take pride in your work and it shows. You make us look good! Have a great holiday and enjoy what you have!
~Mary B

During our first meeting, Damon exuded an amazing confidence and knowledge of the current area markets and his well planned ideas of marketing my house to the right buyers was right on target. He had an uncanny way of knowing what our thoughts were about pricing, staging and showing the house and when other homes in the area had a trickle of serious buyers coming through, I was dealing with an absolute deluge of realtors and buyers. We have recommended Damon to many people and keep his card on file for future reference when our friends call for his information. I would highly, highly recommend Damon Michels to anyone thinking of selling or buying a home. He is extremely talented and skilled in his profession. The service you receive is impeccable and his attention to detail is amazing. Now that our properties are sold we will actually miss working with him. Please feel free to contact us should the need arise.
~Sincerely, Shellie and Stuart F.

Hey Damon, If you ever need a reference please have your customer call me. I'll be glad to give them a complete run down on your honor, integrity and the upstanding way you do business. It would be my true pleasure. They can call me day or night. **~Dick M**

Damon, Thank you so much for the beautiful glass bowl. It is gorgeous and will look great in our new home! You have been amazing over the past 6 months and we have so appreciated working with you! You can thank us for taking you out to the country? to picturesque Chadds Ford and everywhere else in between. And we can't thank you enough for your kindness, your patience, your sense of humor, your easy going ways, your understanding, and your friendship. You are the best! Love, **~Carmella and Bob M**

I would highly recommend anyone of my friends or associates to have Damon sell their home. He is very professional and goes the extra mile in trying to sell your home. Damon achieves results. He is also an excellent communicator. When ever I called him he responded back almost immediately. He listened to any concerns or worries and responded. He is a problem solver. He aggressively marketed our home and made sure we had maximum exposure. Damon took care of all the details. . . .he should be in the hall of fame for realtors. To put it simply he is the best of the best.

~Dr. David and Heather M.

Thank you so much for the beautiful candle sticks and especially for all your help with the purchase of our new home!
~Walter R. and Jennifer P.

I love your website Damon! You are an amazing real estate agent. Thank you again for everything. We love the house and loved working with you. **~Jennifer W.**

I was fortunate enough to see the letter you wrote regarding Damon Michels. I am so pleased that the buying experience turned out well for you. I can tell you, I am not surprised. Damon is an excellent agent and we feel fortunate to have him on our Team. He genuinely cares about his clients. The situation you spoke about regarding his own listing (which did not have parking) is an example of this. He does listen - which helps the whole process tremendously. I wish you all good things in your new home. It sounds like you're enjoying your loft and making the most of it.
Sincerely, **~Ginny McCuen, Senior Vice President, Regional Manager, Prudential Fox & Roach**

Damon, I hope all is well with you and your real estate empire. BTW, we love our house so thanks again for your help in finding it. ~**Bernie and Patricia**

Damon helped us buy our new condo at the Ritz Carlton in Philadelphia. It was a pleasure working with him from start to finish. He was very professional, flexible and knowledgeable. He even helped us figure out where our dining room table should go. We love our new home and hope to work with Damon again in the future. ~**Michael S**

Thanks so much---also, the marketing materials look outstanding! We've bought and sold nearly a dozen homes, and are most impressed with your marketing stuff---you can talk to other agents we have dealt with---coming from us, that's saying something! We remind ourselves all the time---it only takes one buyer---so lets go find him/her!

Just a quick note to say how appreciative I am for all your hard work on the sale of my house in Bala Cynwyd. I know it wasn't the easiest deal but you made it seem that way. Your reassurances to me definitely help calm my nerves as you know how stressful it can be for people who are trying to sell or buy a house. Again, thanks for everything and you can be certain that I would highly recommend you for anyone wanting to sell or buy property. Sincerely, ~**Howard O**

Thanks again for all the work you've done for us these past few months. It feels a little odd that we don't owe you anything directly! I guess that's the nature of the business.
Thanks. ~**Andrew**

Hello all. I just wanted to thank everyone for your help with selling Perth St. It was so helpful to have your team helping to make sure things went smoothly at closing. Now I can sit back and focus on having a baby some time in the next week! Thanks again for your help! ~**Jessica (and Jason)**

In all seriousness, we have really appreciated all the work you did in helping us find our new home. You were patient, available (most of the time!!) and if you weren't you quickly had Joan work with us. We know our criteria went full circle and at times you had no idea what we were looking for or what price range we wanted. You handled our anxiety (ok, specifically MY anxiety) very well and supported us in our frustration. And of course the sale of our apartment could not have been easier! We are grateful for your gift of a discount as we very much can use it for work in the new house. We hope that we will be seeing you in the burbs once we are there. Thanks so much, ~**Bonnie and Eric P**

Damon, I hope all is well with you and your real estate empire. BTW, we love our house so thanks again for your help in finding it. ~**Bernie and Patricia**

Hi Damon, Chrissy, and Meghan,
What a great team we all made! Thanks again so much for making this necessary change in my life flow so smoothly. Best wishes until next time. ~**Andrew Sperling**

We recently relocated from Europe to the US and purchased a house in Villanova. We chose Prudential Fox Roach as our realtor company upon recommendation, and our experiences have been extraordinarily positive. Damon Michels of the PruFoxRoach Office in Wayne was our realtor. Excellent pre-arrival ground-work such as exploration of our requirements made it easier to hone down on what really might be suitable for us in terms of type of house, location etc. Well chosen internet listings and extensive & multiple telephone dialogues allowed a targeted visit (search) agenda once we arrived. Throughout, Damon has been extremely professional, focused on our needs -- the usually dreaded house-hunting turned out to be enjoyable thanks to Damon's attitude, patience, competence, boundless energy and super nice personality. No pushy up-selling here! When securing the chosen property Damon also worked well beyond the expected (late evenings, weekends etc). Further, Damon proved very helpful and resourceful when recommending (and arranging for meetings with) contractors for refurbishment work -- all of whom turned out to be excellent and very cost efficient / competitive. All in all, establishing residential property ownership on the Main Line, Pennsylvania, could have been a daunting experience --or an overpriced / costly one. Thanks to the professionalism, expertise and dedication of the professionals involved, and their status as independent agents yet with a "under one roof" connectivity we really "sailed though" the entire process and came out the other end, with a big smile -- a smile due to the great results, but also due to the positive inter-personal experience we had. (Damon will remain a trusted advisor and friend for us, now that we have relocated to Villanova). We would warmly recommend Damon to anyone in our situation. ~**Bally and Eckart**

I can recommend Damon Michels and his real estate team highly! Damon was always available to me within a prompt timeframe starting with the initial viewing and planning session at my property. Whenever his team members assisted me, they were up-to-date with the specific details of my sale. The electronic appointment system they used was also very helpful and reliable, and allowed me to conduct business from out of town as well as locally. I rate my experience with them a 10/10! ~**Andrew Sperling**

Damon Michels and his wonderful team did an excellent job selling my home of fifty years, a twin in the College Park section of Bala Cynwyd, in a timely and profitable process. They gracefully helped me navigate the technical aspects of contracts, inspections and negotiations in a calm and upbeat manner. It is my pleasure to wholeheartedly recommend them as outstanding realtors. ~**Loretta Maley**

Hi Damon, Just wanted to say thank you for all the work you did to help my mom with her house sale and all the negotiations and paperwork. You and your staff have been wonderful to work with. **Regards, ~Hilary and Joel**

I was a first-time homebuyer when I was referred to Damon Michels. I knew nothing about buying a home, the process or even what I really wanted. It took Damon little time to help me figure out what my "perfect" fit would be and get me in the door. After four months in my new home, a loft in Center City, Philadelphia, I could not be happier. What pleased me most about working with Damon was his ability to quickly eliminate listings based on the time he spent with me. Initially, I had little idea of what I wanted, other than a very broad price range. After a few visits to town homes, walk-ups, condos and lofts in various neighborhoods, we began to discover what I liked and what I did not like. Damon constantly picked up on my tastes and preferences and then rearranged future visits. I never felt that Damon was showing me something outside of my increasingly narrow preferences or that he was wasting my time with listings that would represent a step backward in the process. Damon is a pleasure to work with and is an exceptionally good listener, easy to talk to and very prompt in returning my emails and calls. He walked me through the entire home buying process and explained everything very clearly. I never once felt pressured by him or that he was impatient with my questions. I highly recommend Damon to anyone fortunate enough to have the opportunity to work with him.

Sincerely, ~Matthew

To whom it may concern, I would like to share my experience about purchasing real estate in the Philadelphia area. I live in Maryland and have an apartment at the William Penn House. My purchases began 18 years ago. When I bought my studio apartment I was living in California, as time went on it became necessary to buy a one bedroom apartment. Damon was very approachable, he helped me sell the studio and buy a one bedroom apartment in the same building. About 5 years ago Damon helped me sell the one bedroom and I then bought a 2 bedroom apartment. Recently the apartment next to mine became available and Damon once again came to the rescue and secured the one bedroom apartment for me. He has always been very easy to deal with and has a team that works with him who help shepherd his clients through the process of buying property. He is very professional and knowledgeable about the real estate market. He sold my daughter in laws grandmother her apartment and eventually sold it for her. Damon just sold my daughter in laws parents their new apartment and is selling their home in the suburbs for them. Our family has had a long history with Damon and I would highly recommend him to anyone in need of buying or selling property.

Respectfully yours, ~Deanna DeCherne

Hi Damon, happy new year to u and ur family. I would like to say that Damon and his team were very easy to work with. He helped me buy a property and sell one too. I would recommend Damon and his team to everyone. ~CB Gratz

Dear Ro, My heartfelt thank you for all of your hard work, diligence, patience and support in getting my condo sold. I thought this would be a straight-forward deal...apologies for the complexity and difficulty! You deserve a medal.

All the best, ~Kathrin

*Dear Damon,
Sorry this has taken me so long (I'm a procrastinator extraordinaire) but I want to say thank you for seeing me through the sale of my home of 52 years. You helped, in every way to make it less traumatic for me and easier than I'd hoped it would be. You were always available to answer my questions, even anticipate them, suggest and find people to fix things to facilitate the sale of my property. This was always done with such a kind, helpful, and cheerful attitude (best smile around!). Again, you made what could have been a trying, difficult experience, easy and smooth in every way. Thank you. You're wonderful!*

Love, ~Roberta
